The 2019 Washington State Sheep Producers' Annual Convention will be held in Vancouver, Washington, November 8th and 9th. This event is attended by sheep producers from Washington, Idaho, and Oregon.

As we plan for our convention, we ask that you consider being a sponsor. Your business is advertised throughout the convention in the program, posters in the meetings rooms and through door prize donations. There are many levels of sponsorship and we hope one will fit into your advertising budget this year. Thank you for your support.
