### Washington State Sheep Producers Ram Sale 2023

**W**e had hoped to bring ewes to the Sale this year but our Farm-Direct Lamb Business & Farmers Market take 110% of our time during the summer.

Our primary business is raising a food crop & we need good ewes to do it right. With skyrocketing production costs, multiple births & a high ADG have never been more important. You can't stay in business w/slow-growing singles.

Our home-bred ewes pictured at left represent years of selection geared towards multiple births, high-yielding carcass lambs & reliable replacement stock.

Check out our Facebook page at
